Letter from the President

Fellow MOAA Chapter Members,

As my term as your Chapter President comes to a close, I want to take this opportunity to express my sincere gratitude to each of you for the privilege of serving alongside you. Leading this chapter has been both an honor and a humbling experience.

Our strength as a chapter has never rested in one individual, but in the collective commitment, professionalism, and camaraderie of our Officers, Board and members. Together, we have continued MOAA's proud mission of advocacy, community service, and support for those who have served our nation.

I am especially grateful to our board members, committee chairs, volunteers, and spouses who work tirelessly behind the scenes. Your dedication ensures that our chapter remains active, relevant, and respected within our community and beyond. None of our accomplishments would have been possible without your willingness to step forward and "Never Stop Serving." To our members, thank you for your engagement, your fellowship, and your unwavering support. Your presence at meetings, events, and community activities is what keeps this chapter vibrant and successful. The friendships formed here are among the most rewarding aspects of my service.

As I pass the gavel to our incoming leadership, I do so with complete confidence. This chapter is well-positioned for continued growth and success, guided by capable leaders and supported by committed membership. I encourage each of you to remain involved, support the new leadership, and continue to uphold the values that define MOAA.

Thank you for trusting me with this responsibility. While my term as President may be ending, my commitment to this chapter and its members remains steadfast. I look forward to standing beside you—not at the podium, but as a proud and grateful member.

With deepest respect and appreciation.

Officers and Directors Reports

First Vice President – Programs

CDR Ted Jewell USN (RET)

MOAA Chattanooga Chapter celebrated the holidays with their annual party at the Walden Club in downtown Chattanooga. Distinguished guests included the Honorable Judge Gary Starns, Circuit Court Judge who presides over the recently created Veterans Court initiated by MOAA members. This court handles special legal and social issues faced by veterans.

Also in attendance was actress Shanice Shantay who starred in the film "The Six Triple Eight", the true story of an all-female, all Black battalion in World War II.

Two Marine Corps service members were present representing the Toys For Tots program which received many contributions.

Musical entertainment was provided by local recorded singing star Clare Donahue, accompanied by outstanding musicians on guitar, bass and trumpet. The quartet performed a magnificent set of Christmas songs in a jazz style.

Attendees contributed 97 pounds of food to the Chattanooga Area Foodbank.

Our speaker for the February Dinner is Judge Boyd M. Patterson. In November 2024, the Hamilton County Veterans Court officially stood up and it will be nice to get an update. Judge Boyd Patterson graduated from Hixson High School and later UTC, where he received his bachelor's degree in psychology. He earned his master's degree in psychology from the State University of West Georgia and counseled delinquent youth for two years. He later attended Duquesne Law School, graduating in 2000. In 2002, he joined the District Attorney's Office, serving as a prosecutor for fifteen years. During this time, he also served as Gang Task Force Coordinator for the City of Chattanooga. Before taking the bench,

Judge Patterson served as an Assistant Public Defender for five years. He has published professional articles and conducted legal training at the local, state, and national levels, mostly regarding topics within the intersection of law, crime, and psychology. With numerous community partners, Judge Patterson helped establish Hamilton County's first Mental Health Court, Juvenile Recovery Court and other programs serving at-risk youth. He currently presides over Division III of Criminal Court, as well as Mental Health Court.

Second Vice President – Membership

COL Brett Hale, USA (RET)

A BIG welcome to BG Tony Hart and his wife Jacqueline (Jackie), our newest members. Brigadier General Hart served 31 years in the Air Force and Air National Guard. He was a Master Navigator and Electronic Warfare Officer with over 4,000 flying hours on the RC-135 and C130 platforms. He served at the squadron, wing, major command and state headquarters level. He culminated his career in 2008 as Wing Commander, 176 Wing, Anchorage, Alaska and Commander, Alaska Air National Guard. His wife, Jackie, was an active real estate executive in the commercial and residential markets for over 20 years. In the commercial market she managed the largest office building in St. Louis, Missouri. Employed by a national brokerage firm, she developed and managed over 200 individual properties. She culminated her career as a residential real estate broker. She is

President Elect of the Erlanger Auxiliary and volunteers in the Neonatal Intensive Care Unit. Tony and Jackie live in Ooltewah and have five daughters and thirteen grandchildren.

A New Year, a New Fork, and the Same Fabulous Better Halves

Well, here we are—another shiny new year with the MOAA Better Halves! Before we leap ahead with enthusiasm (and maybe stretchy pants), let's take a moment to look back at the past year. We've missed seeing some of our ladies at lunches, and while we completely understand life happens, please know this: just because you weren't at the table doesn't mean you weren't missed. We hope 2026 brings you right back into the fold.

And speaking of tables... take a look at the photo from our Christmas luncheon—proof that good friends, good food, and a little laughter go a long way.

Now, on to the fun part! We officially kicked off the new year with an outing that's been talked about, planned, postponed, and talked about again. The time finally came! We headed to Mrs. Geraldine Charton's French restaurant, La Cabriole, in Lookout Valley. Oui, oui!

And remember, we meet on the third Tuesday of every month, so mark those calendars and join us. There's always laughter, good conversation, and maybe even a little mischief waiting for you.

Looking forward to seeing everyone—forks ready on January 20, 2026.

Director of Scholarships
LTC Bill Brooks USA (RET)

The ROTC-JROTC Scholarship Application is published and available to our local High Schools in the Greater Chattanooga and North Georgia area. **Thanks** to members donations, I am pleased to announce that one of our scholarships for 2026 will be in honor and memory of LTC Retired Ray Atkins. We still need donations, so please consider donating to our scholarship program and help support the next generation of leaders. I am encouraging members to continue to reach out to veteran groups, investors, grant programs and any sources you may have to support our future military leaders. Your support is critical to continue this meaningful tradition.

MOAA is still committed to supporting our youth with scholarship opportunities. Developing future leaders for the military and our community remains a key tenant of the Chattanooga

Chapter of the Military Officers Association of America. Feel free to contact me or a member of the MOAA Scholarship team; wtbrooks@comcast.net or (423) 504-3704. The Scholarship team consists of: Bill Brooks, Director; John Green, Awards Coordinator (Trustee); Jules Doux, Scholarship (Trustee); Steven Whitley, Fundraising.

Chaplain's Corner
CDR Phil Sumerall USN (RET)

Little Johnny was drawing feverishly with his crayons. His teacher, attracted to the industry and artistry of the five-year-old, asked him, "What are you drawing?" Johnny replied, "It's a picture of God." His teacher smiled and said, "Honey, no one knows what God looks like." Johnny didn't even bother to look up from his masterpiece, but confidently replied, "They will when I get through."

My friends, brothers and sisters this was what God accomplished long ago in a lowly manger in Bethlehem. He revealed to the world His Son. He said, "This is My Son. He is what I am. He thinks the way I think and loves the way I love. Look at Him and you will see Me, but He doesn't just look like Me; He is Me in human flesh." "He that has seen Me, " Jesus said, "has seen the Father."

Merry Christmas and Happy Hanukkah fellow veterans, family, patriots, and friends. May we all have many more blessed Holy days together and a healthy, peaceful and prosperous New Year.

VETERANS CORNER

TAPS

We appear to have been blessed during the past two months to NOT have any member or spouse pass away. If we have missed the passing of a member, we apologize and if you can let us know who has passed that we missed, we will remember them in our next newsletter.

Salvation Army Bell Ringing

Chattanooga Chapter of MOAA Supporting the Salvation Army 2025 Bell Ringing fund raiser at Hamilton Place Mall. Thanks to all who supported the Chapter's effort.

Wreaths Across Chattanooga

Thank you to everyone who helped make Wreaths Across Chattanooga such a meaningful success this year. Because of your generosity, time, and dedication, we were able to place wreaths on more than 31,000 headstones, honoring the men and women who served our country. From the volunteers who showed up ready to work, to those who helped coordinate shuttles, guide visitors, and support the effort in countless ways—your commitment did not go unnoticed. Our National Cemetery was filled not just with wreaths, but with respect, remembrance, and gratitude. As we close out this meaningful chapter, I hope many of you will join us again on January 17 to help retire the wreaths. Please bring gloves, a rope, a wagon, or anything else that might make the task easier. Parking will be available inside the cemetery for those assisting. Thank you again for being part of something truly special. I look forward to seeing many of you soon.

Warm regards - Susan Hardin

UTC Veterans & Military Affairs

We are proud to share that the University of Tennessee at Chattanooga has again been recognized by Military Times as a 2025 Best for Vets® College, ranking #2 in Tennessee and remaining the only institution in the state recognized for offering both robust in-person and online programs for military-connected students. This recognition reflects the continued collaboration, trust, and support across our local military and veteran network.

This fall, our Holiday for Heroes initiative once again demonstrated the strength of that community. A special highlight has been our partnership with BJ's Wholesale Club, where we are currently at 51 new memberships through the fundraiser. While we are pacing steadily toward our goal of 200 before the promotion ends in late January, we remain optimistic and incredibly grateful for the momentum and support already shown.

If anyone wants to support UTC Veteran & Military Affairs (VMA) through BJ's Wholesale (Hixson) and Get Half Off Membership Rates, please go to this link to read how to join:

<https://blog.utc.edu/campus-weekly/2025/12/support-utc-veteran-military-affairs-vma-through-bjs-wholesale-hixson-and-get-half-off-membership-rates/>

Looking ahead, UTC Veterans and Military Affairs is excited to host our Spring 2026 Operation Supply Drop, which provides backpacks, technology, and essential school supplies to ALL military-connected students at the start of the term. We would be honored to welcome members of the Chattanooga MOAA Chapter to attend and support this event which is on January 13th, 2026 (Tuesday anytime from 9am-3pm). We also gladly accept donations of backpacks, technology items, and academic supplies to help ensure our students begin the semester equipped for success.

We sincerely appreciate MOAA's continued partnership and advocacy for our military-connected community.

University of Tennessee at Chattanooga Senior ROTC (SROTC)

The University of Tennessee at Chattanooga (UTC) recently celebrated a major milestone as five dedicated cadets officially transitioned from students to officers in the United States Army. The December commissioning ceremony marked the culmination of years of rigorous academic study, physical training, and leadership development.

These five new Second Lieutenants represent a diverse range of academic disciplines—from Chemistry to Cyber Security—and are headed to various branches across Active Duty and the National Guard.

Congratulations to these five officers on their achievement and their commitment to serving the nation.

Hamilton County and Area Junior ROTC (JROTC)

East Hamilton High Army JROTC

The East Hamilton High School “Hurricane Battalion” is the newest JROTC program in Hamilton County Schools’ footprint, established during the 2021-2022 school year. During the first year, the battalion consisted of approximately 100 Cadets organized into two companies. In its first year, the battalion completed all the requirements of the JROTC program academically and competed in Raider, Academic, and Drill team competitions. In the following year, the Battalion grew to three companies with a battalion headquarters. The battalion achieved an Honor Unit with Distinction (HUD) score on its Staff Assistance Visit JROTC Program Accreditation (JPA) but was not officially awarded the Golden Star because it was not yet a “Formal JPA”. The battalion's third year was when it reached official HUD status. The battalion now starts the year with over 250-300 Cadets and places in all inter-curriculars at the county, state, and national level. The Hurricane battalion also hosts the largest Raider competition in the state, as well as the HCS Quiz Bowl and the Best Cadet competition.

Hixson High Airforce JROTC

Hixson High School AFJROTC (TN-081) cadets competed in a national level cyber security competition known as CyberPatriot 18. CyberPatriot is the National Youth Cyber Education Program created by the Air & Space Forces Association to inspire students toward careers in cybersecurity or other science, technology, engineering, and mathematics (STEM) disciplines critical to our nation's future. At the core of the program is the National Youth Cyber Defense Competition, the nation's largest cyber defense competition that puts high school and middle school students in charge of securing virtual networks across multiple servers / platforms and consists of multiple practice and competition rounds. After Round 2 Rounds of stiff competition the Hixson AFJROTC “Cyber Cats” Team is ranked 1st in the state and 7th nationally out of all AFJROTC units and achieved highest rating of Platinum, reflecting top 30% of ROTC units nationally.

UTC Veteran Entrepreneurship Program

Chattanooga values its veteran community and has many resources for those that have served. University of Tennessee, Chattanooga is one of those resources with various veteran friendly programs. This month we highlight the Veterans Entrepreneurship Program.

HELPING VETERANS LAUNCH OR GROW THEIR OWN BUSINESSES

America's military veterans have served and protected our nation while developing skills in risk management, leadership and performing under pressure. The University of Tennessee at Chattanooga is honored to help veterans translate those skills into successful civilian ventures through the Veterans Entrepreneurship Program (VEP).

Now in its 15th year, the VEP is a nationally recognized, immersive program designed around hands-on learning, one-on-one mentorship and exposure to inspiring role models. Our mission is simple but powerful to foster the growth of profitable, veteran-owned businesses.

Guided by world-class faculty, accomplished entrepreneurs and subject-matter experts, participants take part in a challenging, interactive and transformative experience—one that equips them to turn their service-honed skills into entrepreneurial success.

"VEP gives you a community. You're surrounded by fellow veterans who understand your mindset, your mission and your drive. As a disabled minority woman veteran, I felt seen, supported and empowered. VEP helped me clarify my vision and gave me the confidence to scale my businesses with purpose."
—Anjanette Wheeler, VEP 2025 graduate

VEP SCHEDULE

Chattanooga Chapter
Military Officers Association of America
P. O. Box 24482
Chattanooga, TN 37422

The Chattanooga MOAA Volunteer is published bi-monthly and is distributed by e-mail and posted on the MOAA website to Chapter members to inform them of national issues and to stimulate local support of Veteran and other issues of interest.

Newsletter Editors:
John Harbison,
Susan Hardin

The Military Officers Association of America (MOAA) and its affiliated chapters and councils are nonpartisan and nonprofit veteran associations dedicated to a strong national defense and ensuring our nation keeps its commitments to currently serving, retired, and former members of the uniformed services and their families and survivors. The Chattanooga Chapter is one of more than 400 local chapters officially certified as an affiliate of MOAA. The chapter and individual members' active involvement and grassroots support help ensure a strong voice in local community matters affecting the uniformed services as well as local active, retired, and reserve personnel. The Chattanooga MOAA Volunteer is published bi-monthly by the Chattanooga Chapter of MOAA and distributed by e-mail and postal mail to its members
